TOTALLY TROPICAL

THE LOW-SLUNG LIME-GREEN TROPEA CHAIR CONJURES IMAGES OF REC-Room HANGOUTS. YET IT'S ACTUALLY MEANT TO SIT ALFRESKO. THE RETRO-LOOKING STAINLESS STEEL FRAME IS RUST RESISTANT, AND THE REMOVABLE POLYESTER CUSHION COVERS ARE WATER AND UV REPELLENT.

THE CURVY LINES OF THIS OUTDOOR CHAIR LOOK AS GOOD FROM THE BACK AS THEY DO FROM THE FRONT.

A petite loveseat, with its small scale and delicate lines, is the perfect spot to perch in a boudoir. We love the turned legs and tufted back of the affordable Colette from Pier 1 Imports, but we also adore the skirted and splurge-worthy loveseat from Canadian designer Colleen McGill's new custom furniture collection.
